

Intervention Strategy Form

The following form is to be used to document the intervention strategy to be implemented to ensure that the student is able to meet all course requirements and successfully complete the course within the expected time.

This form is also used to record the intervention strategy outcomes applied due to failure to meet satisfactory attendance or course progress.

The information is to be discussed with the student directly and they are required to sign the form to indicate an agreement to the intervention strategies.

Student Declaration (To be completed by the Student)

Note: It is important for you to attend classes and meet satisfactory course progress requirements, i.e. being able to successfully complete or demonstrate competency in at least 50% of the course requirements in any study period* to achieve minimum competency level. Failing to maintain Satisfactory course progress for two consecutive study periods* will require PCS to report unsatisfactory course progress to the Department of Home Affairs (DHA) via PRISMS. Although PCS does not report students on the basis of their low attendance. However, Low attendance will impact your ability to complete assessments, ultimately, leading to unsatisfactory course progress.

* Study Period: Study period is of 10 weeks in which the student is enrolled.

☐ I agree with the proposed study load to enable myself to complete my course in the designated duration of my CoE.
--

☐ I agree to attend my classes regularly to achieve satisfactory course progress requirements after the implementation of intervention strategy.

☐ I have understood the consequences if I do not follow the above schedule.
